Community Open House

Wednesday, October 2, 4:00 - 6:00 p.m.

35679 US-550, Montrose, Colorado 81403

*(Location of the planned water treatment plant south of Colona.
Green barn west of the highway pictured in the rendering below.)*

Ridgway Reservoir

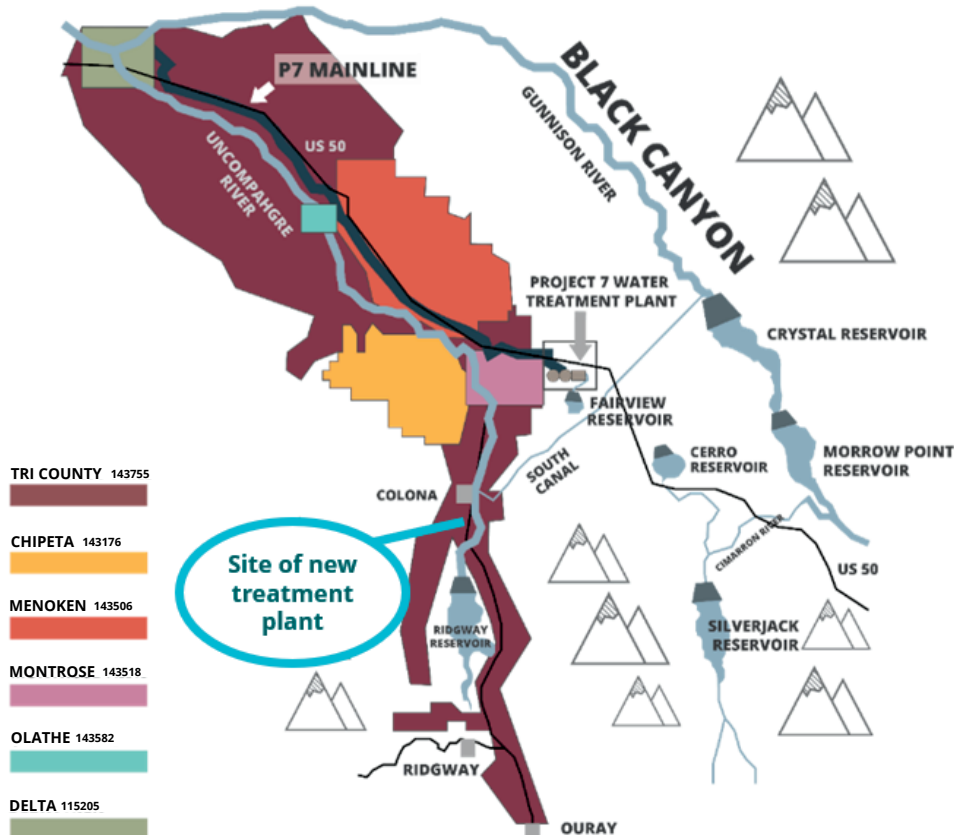

Learn about Project 7's **Regional Water Supply & Resiliency Program.**

By adding a second treatment facility to our existing single source system, the effort will reduce risk to our regional drinking water supply from wildfire, drought and infrastructure failure.

Since 1977, Project 7 has supplied high-quality potable drinking water to more than 50,000 people in the Uncompahgre River Valley.

For more information, visit:
Project7Water.org or email
Project7@Montrose.net.
